

Standard Product Nomenclature

<i>polymer grade code</i>	Resin type
LD	Low density polyethylene
MD	Medium density polyethylene
MP	Low density polyethylene (metallocene resin)
HD	High density polyethylene
PK	Blended high and low density polyethylene
EV	Ethylene vinyl acetate co-polymer (high VA content)
VA	Ethylene vinyl acetate co-polymer (low VA content)
PPA	Polypropylene
EM	Ethylene methylacrylate co-polymer

<i>special property code</i>	
FM	Flame retardant – automotive
FB	Flame retardant – construction
FR	Flame retardant – aviation
SD	Static dissipative
CN	Conductive

Standard Product Nomenclature

cell-size code	
FC	Fine (small) cells
	Standard cell size
MC	Medium cells
IC	Intermediate cells
LC	Large cell

cross-link code	
SV	Very low cross-link

Colour code	Colour		Colour code	Colour
BGN	BUSH GREEN		PGY	PALE GREY
BK	BLACK		PH	PEACH
BY	BURGUNDY		PK	PINK
BZ	BRONZE		RD	RED
CE	CAMEL		RGY	ROCK GREY
