Notes

- (i) Pursuant to Part 13 of the Companies Act 2006 and to Regulation 41 of the Uncertificated Securities Regulations 2001 (as amended), only those members registered in the register of members of the Company at the close of business on 13 May 2019 (or if the AGM is adjourned, 48 hours before the time fixed for the adjourned AGM) shall be entitled to attend and vote at the AGM in respect of the number of shares registered in their name at that time. In each case, changes to the register of members after such time shall be disregarded in determining the rights of any person to attend or vote at the AGM.
- (ii) If you wish to attend the AGM in person please bring some form of identification (such as driver's licence or bankcard) and present this to the Company's reception desk on arrival.
- (iii) A member who is entitled to attend, speak and vote at the AGM may appoint a proxy to attend, speak and vote instead of him or her. A member may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares (so a member must have more than one share to be able to appoint more than one proxy). A proxy need not be a member of the Company but must attend the AGM in order to represent you. A proxy must vote in accordance with any instructions given by the member by whom the proxy is appointed. Appointing a proxy will not prevent a member from attending in person and voting at the AGM (although voting in person at the AGM will terminate the proxy appointment). A proxy form is enclosed or has been sent to you separately. The notes to the proxy form include instructions on how to appoint the Chairman of the AGM or another person as a proxy. You can only appoint a proxy using the procedures set out in these notes and in the notes to the proxy form.
- (iv) To be valid, a proxy form, and the original or duly certified copy of the power of attorney or other authority (if any) under which it is signed or authenticated, should reach the Company's registrars, Computershare Investor Services plc, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, by no later than 10.00 am on 13 May 2019.
- (v) The proxy form includes details on how to vote electronically. The notes to the proxy form also include instructions on how to appoint a proxy by using the CREST proxy appointment service. You may not use any electronic address provided either in this notice of AGM or in any related documents (including the proxy form) to communicate with the Company for any purposes other than those expressly stated.
- (vi) In the case of joint holders of shares, the vote of the first named in the register of members who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of other joint holders.
- (vii) The following information is available at www.zotefoams.com: (1) the matters set out in this notice of AGM; (2) the total numbers of shares in the Company, and shares in each class, in respect of which members are entitled to exercise voting rights at the AGM; (3) the totals of the voting rights that members are entitled to exercise at the AGM, in respect of the shares of each class; and (4) members' statements, members' resolutions and members' matters of business received by the Company after the first date on which notice of the AGM was given.
- (viii) If you are a person who has been nominated by a member to enjoy information rights in accordance with Section 146 of the Companies Act 2006, notes (iii) to (v) above do not apply to you (as the rights described in these notes can only be exercised by members of the Company) but you may have a right under an agreement between you and the member by whom you were nominated to be appointed or to have someone else appointed, as a proxy for the meeting. If you have no such right or do not wish to exercise it, you may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.
- (ix) A member that is a company or other organisation not having a physical presence cannot attend in person but can appoint someone to represent it. This can be done in one of two ways: either by the appointment of a proxy (described in notes (iii) to (v) above) or of a corporate representative. Members considering the appointment of a corporate representative should check their own legal position, the Company's Articles of Association and the relevant provision of the Companies Act 2006.
- (x) Members attending the AGM have the right to ask, and, subject to the provisions of the Companies Act 2006, the Company must cause to be answered, any questions relating to the business being dealt with at the AGM.
- (xi) As at the close of business on 1 April 2019, the Company's issued share capital comprised 48,301,234 ordinary shares of 5 pence each. Each ordinary share carries the right to one vote at a general meeting of the Company. No ordinary shares were held in treasury and accordingly the total number of voting rights in the Company as at the close of business on 1 April 2019 is 48,301,234.
- (xii) Shareholders should note that it is possible that, pursuant to requests made by shareholders of the Company under Section 527 of the Companies Act 2006, the Company may be required to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with the auditors of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with Section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under Section 527 of the Companies Act 2006, it must forward the statement to the Company's Auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under Section 527 of the Companies Act 2006 to publish on a website.
- (xiii) Copies of the Executive Directors' service contracts with the Company and any of its subsidiary undertakings, deeds of indemnity in favour of the Directors and letters of appointment of the Non-Executive Directors are available for inspection at the registered office of the Company during the usual business hours on any weekday (Saturday, Sunday or public holidays excluded) from the date of this notice until the conclusion of the AGM.

Ordinary resolutions**

Resolution 1 – Receiving the Annual Report
Shareholders will be asked to receive the Company's Annual Report for the financial year ended 31 December 2018, as required by law.

Resolution 2 – Directors' Remuneration Report
Resolutions 2 seeks shareholder approval of the Directors' Remuneration Report for the year ended 31 December 2018 which can be found on pages 46 to 55 of the Annual Report.

The Company's Auditors, PricewaterhouseCoopers LLP, have audited those parts of the Directors' remuneration report that are required to be audited and their report may be found on pages 59 to 63 of the Annual Report.

The Shareholders approved the current Directors' Remuneration Policy at the AGM held on 17 May 2017 and it became effective immediately. As there have been no changes to the Directors' Remuneration Policy, there is no need to seek further approval of it at this year's AGM. The current intention is to submit the Directors' Remuneration Policy for Shareholder approval at the AGM scheduled for 2020, unless, in the interim, there are specific changes that require Shareholder approval. The Directors' Remuneration Policy may be found in the 2016 Annual Report on pages 41 to 52.

Resolution 3 – Declaration of dividend
This resolution concerns the Company's final dividend payment. The Directors are recommending a final dividend of 4.15 pence per ordinary share in respect of the year ended 31 December 2018 which, if approved, will be payable on 30 May 2019 to the shareholders on the register of members on 26 April 2019.

Special Business

Resolution 12 – Power to allot shares

This resolution grants the Directors authority to allot shares in the capital of the Company and other relevant securities up to an aggregate nominal value of £805,020, representing approximately one-third of the nominal value of the issued ordinary share capital of the Company as at 1 April 2019, being the latest practicable date before publication of this notice. In addition, in accordance with the latest institutional guidelines issued by the Investment Association, paragraph (b) of resolution 12 grants the Directors authority to allot further equity securities up to an aggregate nominal value of £1,610,040, representing approximately two-thirds of the nominal value of the issued ordinary share capital of the Company as at 1 April 2019, being the latest practicable date before publication of this notice. This additional authority may be only applied to fully pre-emptive rights issues.

The intention of the authority granted pursuant to paragraph (b) of resolution 12 is to preserve maximum flexibility and if the Directors do exercise this authority, they intend to follow best practice as regards its use.

The Company does not currently hold any shares as treasury shares within the meaning of Section 724 of the Companies Act 2006 ('Treasury Shares').

The Directors do not have any present intention of exercising the authorities conferred by resolution 12 but they consider it desirable that the specified amount of authorised but unissued share capital is available for issue so that they can more readily take advantage of possible opportunities.

Unless revoked, varied or extended, this authority will expire at the conclusion of the next AGM of the Company or 30 June 2020, whichever is the earlier.

Special resolutions

Resolutions 13 and 14 – Authority to allot shares disregarding pre-emption rights
These resolutions authorise the Directors in certain circumstances to allot equity securities for cash other than in accordance with the statutory pre-emption rights (which require a company to offer all allotments for cash first to existing shareholders in proportion to their holdings). Resolution 13 authorises the Directors to issue shares either where the allotment takes place in connection with a rights issue or the allotment is limited to a maximum nominal amount of £120,750, representing approximately 5% of the nominal value of the issued ordinary share capital of the Company as at 1 April 2019, being the latest practicable date before publication of this notice. Resolution 14 authorises the Directors to issue a further 5% of the issued ordinary share capital of the Company, but only to be used to raise finance for an acquisition or a specified capital investment (within the meaning given in the Pre-Emption Group's Statement of Principles) which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

Unless revoked, varied or extended, these authorities will expire at the conclusion of the next AGM of the Company or 30 June 2020, whichever is the earlier.

The Directors consider that the powers proposed to be granted by these resolutions are necessary to retain flexibility, although they do not have any intention at the present time of exercising them.

Resolution 15 – Authority to purchase shares (market purchases)

This resolution authorises the Board to make market purchases of up to 4,830,123 ordinary shares (representing approximately 10% of the Company's issued ordinary shares as at 1 April 2019, being the latest practicable date before publication of this notice). Shares so purchased may be cancelled or held as Treasury Shares. The authority will expire at the end of the next AGM of the Company or 30 June 2020, whichever is the earlier. The Directors intend to seek renewal of this authority at subsequent AGMs.

The minimum price that can be paid for an ordinary share is 5 pence being the nominal value of an ordinary share. The maximum price that can be paid is 5% over the average of the middle market prices for an ordinary share, derived from the Daily Official List of the London Stock Exchange, for the five business days immediately before the day on which the share is contracted to be purchased.

The Directors intend to exercise this right only when, in light of the market conditions prevailing at the time and taking into account all relevant factors (for example, the effect on earnings per share), they believe that such purchases are in the best interests of the Company and shareholders generally. The overall position of the Company will be taken into account before deciding upon this course of action.

The decision as to whether any such shares bought back will be cancelled or held in treasury will be made by the Directors on the same basis at the time of the purchase.

As at 1 April 2019, being the latest practicable date before publication of this notice, there were outstanding awards under the Company's long-term incentive schemes (excluding the Share Incentive Plan) in respect of 868,952 ordinary shares in the capital of the Company representing 1.8% of the Company's issued ordinary share capital. If the authority to purchase the Company's ordinary shares were exercised in full, such awards would represent 2% of the Company's issued ordinary share capital.

Resolution 16 – Notice period for general meetings

Under the Companies Act 2006, a listed company must give at least 21 days' notice of its general meetings. However, the Act enables general meetings (other than AGMs) to be held on shorter notice of not less than 14 days provided the shareholders have given their consent at the previous AGM or a general meeting held since the last AGM. Resolution 16 seeks such approval similar to the resolution that was passed last year. The approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed. The Directors will always endeavour to give as much notice as possible of general meetings, but would like to have the flexibility to call a general meeting on the shorter permitted notice period for time sensitive matters that are clearly in the shareholders' interests. If the authority is used, the Company will offer the ability, as required by the Companies Act 2006, to vote electronically.

Recommendation

The Directors consider that the proposals being put to the shareholders at the AGM are in the best interests of the Company and of the shareholders as a whole. Accordingly, the Directors recommend that you vote in favour of the resolutions set out in the Notice of the AGM, as they intend to do in respect of their own beneficial holdings of ordinary shares.
