Zotefoams PLC
01 April 2020

Zotefoams plc ("Zotefoams")

Notice of results

Zotefoams, a world leader in cellular materials technology, will announce preliminary results for the year ended 31 December 2019 on Tuesday 7 April 2020.

An analyst conference call will take place at 9.30am. Would analysts interested in attending the presentation please contact zach.cohen@investor-focus.co.uk.

In addition, Zotefoams is committed to ensuring that there are appropriate communication structures for all elements of its shareholder base so that its strategy, business model and performance are clearly understood.

In order to access and engage with existing and potential shareholders efficiently, Zotefoams has adopted the Investor Meet Company communications platform.

Investor Meet Company is a digital platform that provides individual investors the same direct access to management as institutional investors around company announcements. Through live, interactive presentations, as part of the investor roadshow, all investors can now have the same opportunity for two-way engagement regardless of the number of shares they own or where they are located, so they can come to an informed decision about Zotefoams.

Investors can sign up to Investor Meet Company for free at <https://www.investormeetcompany.com/register> and click on add to meet Zotefoams. Investors who have already registered and added to meet the Company will be automatically invited.

About Zotefoams plc:

Zotefoams plc (LSE - ZTF) is a world leader in cellular materials technology. Utilising a variety of unique manufacturing processes, including environmentally friendly nitrogen expansion for lightweight AZOTE® polyolefin and ZOTEK® high-performance foams, Zotefoams sells to diverse markets worldwide. Zotefoams uses its own cellular materials to manufacture T-FIT® advanced insulation for demanding industrial markets. In addition, Zotefoams owns and licenses patented microcellular foam technology, developed specifically for extrusion applications, from a base in Massachusetts, USA, to customers worldwide.

Zotefoams is headquartered in Croydon, UK, with additional manufacturing sites in Kentucky and Oklahoma, USA (foam products manufacture and conversion), Massachusetts, USA (MuCell Extrusion LLC) and Jiangsu Province, China (T-FIT®). A third foam-manufacturing site, in Poland, is planned to begin operations in 2020.
